Freshmen

1991

The Freshman class of 1990-91 has proved to be a class of school spirit. With a class of only 54 students our participation in many assemblies has been outstanding and unusual for a class such as ours. Many of us have goals to be just like the ones we follow throughout the years. We plan to make a bright and beautiful future as we learn here at WHS. We try to overcome many obstacles we see before us, and we are very successful at doing that. We are very proud that we have been accepted as Warriors by the upperclassmen and we will make them proud of us until the year 1994. We will then let the ones that follow us feel the same way as the class of "1991" did toward us. Thanks a lot!!

In the beginning they didn't have any hope at all but came back to finally win the spirit stick for Homecoming Week.

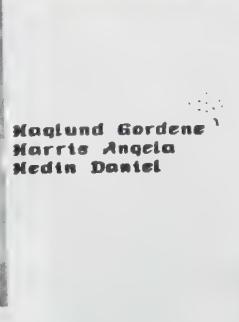

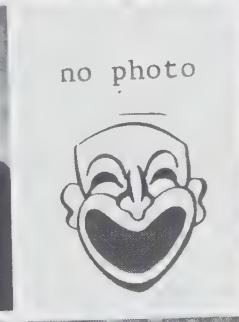

There were also many embarrassing and boring moments such as when Diane Finklein sprang her ankle after the first dance of the year, and having to watch eleven hours of documentary in U.S. History.

ACADEMIC FAIR

HERE'S TO THE 1991 SCIENCE FAIR!

ON THURSDAY, MAY 9th, WHS PRESENTED THEIR PROJECTS IN THE SCIENCE FAIR----FLYING PAPER AIRPLANES, REAL SNAKES, THE NATIONAL GUARD, AND OTHER EXCITING EVENTS. THE ONE THAT PEOPLE ENJOYED THE MOST WAS THE REMOTE CONTROL RACE.

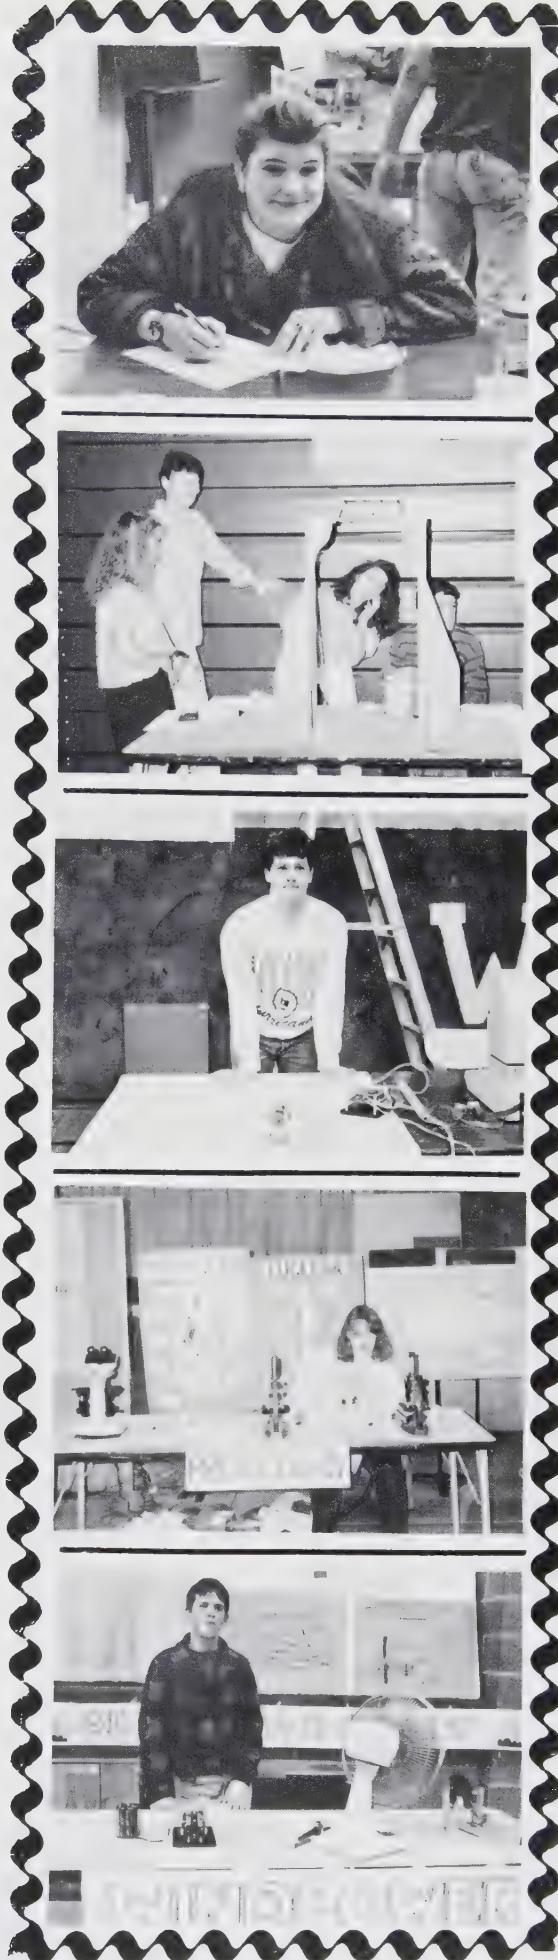

THE SCIENCE FAIR WAS A GREAT LEARNING EXPERIENCE FOR ALL OF THE STUDENTS AND STAFF. THE STUDENTS RECEIVED CREDIT FOR MAKING AN INVENTION. AND TEACHERS GOT A KICK OUT OF WATCHING THEM.

THE PEOPLE IN CHARGE MADE IT WORK AND WANTED TO MAKE SURE IT WAS A GREAT SUCCESS. AND THAT IT WAS!

THE CLASSES WHICH PUT THEIR MINDS TOGETHER WERE SHOP, BIOLOGY, ENGLISH AND MATH.

THIS FAIR WILL BE A TERRIFIC MEMORY FOR ALL OF THE STUDENTS AND STAFF. HOPEFULLY, THE STUDENTS WHO WILL BE HERE NEXT YEAR CAN THINK OF MORE GREAT IDEAS.

GOOD LUCK TO EVERYONE! AND, CONGRATULATIONS TO THE YEAR'S WINNERS!

W.H.S. BAND

On the morning of Friday, April 26th, the WHS Band gathered at Warrenton High School. The only people in the building were the "early morning" students and the janitors. Everybody looked tired and not too excited, but, by the end of the day they would be.

The first day of our tour, we performed three times--once each at Astoria High School, La Centre High, and at Seattle Center. Then we set out for Abbotsford in Canada.

That first night we spent camped out on the Abbotsford elementary school gym floor. The next morning we played at the Abbotsford/Matsqui Band Fest, then immediately left for the ferry to Victoria.

We arrived in Victoria about 9 p.m. and everyone was busy. We had to be in by 11:00, so most people headed for downtown. The day was full of visits to the WAX MUSEUM, the Provincial Museum, and dozens of shops. I'm sure nobody got to sleep until into the morning. When we got back on Sunday at 2 a.m. there were a lot of sleepy, contented, wiped-out band members looking forward to school in five hours!

October 20 was definately a night of PARADISE. It was the night of our Homecoming Dance. For the second year in a row, it was held in the WHS. gym. This year's theme was "Almost Paradise." The gym was decorated to the hilt. It was literally transformed into a jungle of PARADISE. From ferns, plants, and trees, to palm trees, and even a waterfall ending in a pond with live gold fish swimming in it—it was a sight to see! All of the hard work done by Student Council was greatly appreciated by the student body. Mr. Corliss and Mr. Hackwith put forth more than their share of hard work and effort in helping to plan, build, and decorate for this unforgettable evening.

Monday Homecoming Activities

The excitement of Homecoming Week built up throughout the day Monday. As a cowboy/warrior dress up day, students showed their spirit with a wide variety of festive costumes. At the homeroom pep assembly, Angela and Kristy outlined the week for the student body. Activities got under way with costume competitions and a lot of cheering. Winners for the best costumes were: sophomore Niki Petersen and senior, Mark Johnson. Warriors also displayed their class' talents in Monday's Junior Olympics. Using their own designs, the groups from each class flew paper airplanes to the center of Tye Gym. The sophomores hit the target, and the freshmen and juniors glided their planes close to the victory circle. Following the assembly, the grade levels split up. In their own sections of the hallways, classes worked on doors, banners, pinatas, and skit props while waiting for their video practice time in the gym.

BUMS 'N LADIES

Tuesday's Bum 'n Dress-up day activities involved the normal assembly with class competitions. Along with the normal activities there was a hearty jelly bean hunt.

TOP RIGHT: Dressed as a lady, Vicki Gleason searches for a jelly bean in a dish of cool whipped topping.

On the evening of May 30, 1991, twenty-eight members of the graduating class received the spiritual blessings of family, church, and community at the traditional BACCALAUREATE service held at the Warrenton Baptist Church. In a special message given by Doug Marshall, students were encouraged to be true to themselves, to look deep inside for their true feelings, and then live and act by them.

Classmates enjoyed special musical presentations from Jeanne Prince and Mindy Nyberg, Angela Thompson, Becca Havner, and the musical ensemble of Katie Abernathy, Dianne Finklein, Angela Thompson, Becca Havner, and Marie Gilson. Jon Ogren accompanied.

Students attending were presented with the Gideon pocket Bible by local members of the society.

PROM NIGHT 1991

Nolan-Giddings Trucking are proud of the 1991 Graduates. Good Job!

RENT-A-SENIOR, PLEASE!

In a not-so-traditional auction, seniors lined up to be auctioned at an annual fund raising event in the WHS gym. Funds were used toward the gayla GRAD NIGHT PARTY. Everyone enjoyed the pranks and games of the day.

Vanessa and Mike sing "I Love You Truly" to Mrs. Donnigan. Sweeter words were never sung!

Brian and Jeff want the world to know how much they appreciate these two special girls--Missy and Jessica.

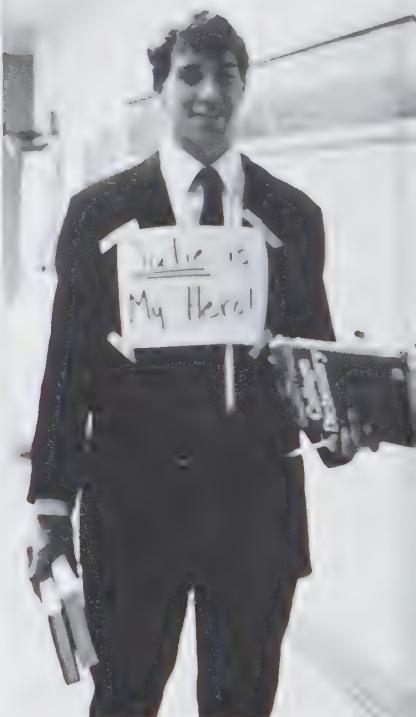

It looks as if Doug has a permanent job--at least he's got the uniform for it!

"Ah! It's better to serve than to be served!" exclaims Mark Johnson.

100 Woofie and John would promise anything. Watch out, gang!

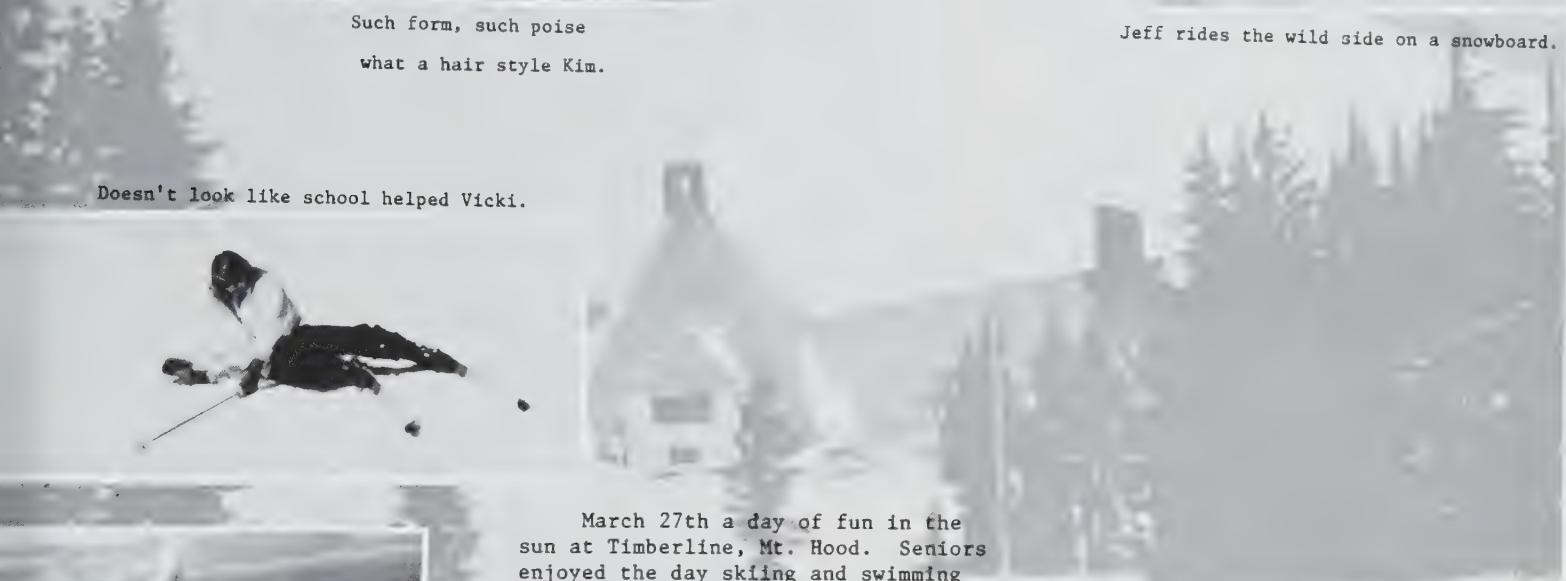

SENIOR SKIP DAY

Such form, such poise
what a hair style Kim.

Jeff rides the wild side on a snowboard.

Doesn't look like school helped Vicki.

March 27th a day of fun in the sun at Timberline, Mt. Hood. Seniors enjoyed the day skiing and swimming while the rest of the school had to go to class.

Those Seniors who didn't know how to ski attended ski school while the others went their own way. In the entire day Dawn Davidson was the only casualty with a broken hand.
